

AFFIDAVIT

1. My name is James S. Voris, and I was employed by Aether Technologies on or about October 24, 2000.
2. It is my belief that Aether Technologies' confidential document entitled AIM.net Architecture Version 1.1 (copy attached), was an internal company document as of October 24, 2000, not intended to be viewed by persons outside of Aether Technologies. The document itself so states on page 6.
3. I declare under penalty of perjury that the foregoing is true and correct.
